KUNGSLEDEN – THE KING’S TRAIL

The most famous hiking trail in Sweden – Kungsleden – starts in Hemavan and stretches all the way to Abisko – a distance of 450 km. The first part of it – 11 km – to the first cabin, Vitterskalsstugan is perfect for a daytrip.

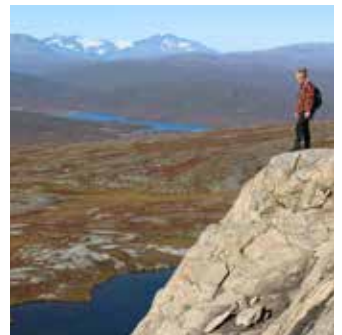

DROTTNINGLEDEN – THE QUEEN’S TRAIL

Drottningleden – the Queen’s own trail from Laisaliden to Hemavan offers spectacular views and is relatively easy to walk.

TÄRNALEDEN

A lovely, scenic trail following the river Tärnaån to Solberg and an adjoining trail leading to Kungsleden.

ATOKKLIMPEN - SAMI CULTURAL HERITAGE

Atoklimpen is a large hill rising high above the surrounding landscapes. It is part of the Sami cultural environment and provides an insight into how the nomadic Sami reindeer herding practice has effected the landscape over the centuries. Join one of the arranged guided trips or if you are a group book a guide.
