## Fishing Guide

The Fishing Guide helping you to find the perfect adventure in Hemavan Tärnaby.

## Welcome to the lakes and rivers of Hemavan Tärnaby

Here you will find fishing for all tastes. From accessible spots for the whole family, to more demanding waters that will entice even the most dedicated angler.

The summer months offer many different kinds of fishing including flowing streams and rivers, arctic char lakes above the tree line and fishing from a boat.

The best spots for fishing include lakes and outflows, river promontories and deeper sections. Overhanging bushes and other vegetation provide food and protection for fish so it is worth trying your luck there.
